sanghviaankur10@gmail.com

## PROFILE

Detail-oriented Frontend Engineer with 6+ years of experience building scalable, responsive web and mobile applications using **React.js**, **React Native**, and **TypeScript**. Skilled in delivering intuitive user interfaces, integrating complex APIs, and collaborating across teams to drive product success. Passionate about creating seamless user experiences and shipping high-quality code efficiently.

## EDUCATION

### Msc-Information Technology

📖 Jain University, Jayanagar,  
Bangalore.

🕒 July 2017 - May 2019

### BCA - Bachelor of Computer Application

📖 C.B. Patel Computer College,  
VNSGU, Surat

🕒 June 2014 - May 2017

## WORK EXPERIENCE

### LoadShare Networks

Software Engineer 3 // Oct 2021 - Jun 2025

- Led frontend for Staffpay, a SaaS platform streamlining onboarding, live tracking, and payroll for partner organizations.
  - Built and maintained the Loadshare Rider App, used daily by thousands for task management and earnings tracking.
  - Delivered fast, responsive UIs with React.js, React Native, and TypeScript, improving load times and UX.
  - Integrated complex APIs and collaborated closely with backend and design teams for smooth, polished interfaces.
  - Conducted code reviews and enforced best practices to ensure performance, maintainability, and quality.
- Key Achievement:**
- *Received "Maximum Impact" award in Sept 2022 for outstanding contribution to high-priority projects.*

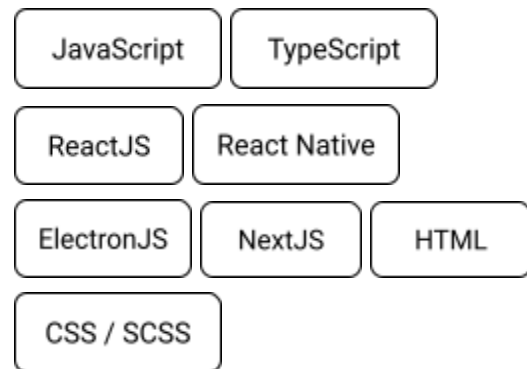

### Fibonalabs

Software Engineer 2 // Dec 2018 - Sept 2021

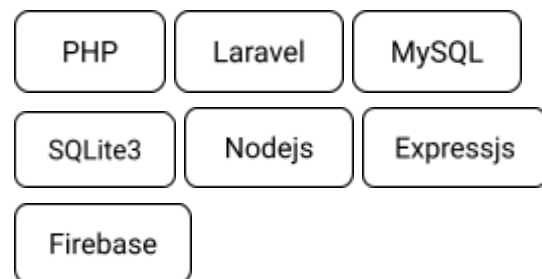

- Built responsive web apps with **React.js**, **Angular**, and **Node.js** across multiple client projects.
- Improved performance and UI consistency through reusable React components.
- Drove end-to-end development in cross-functional teams, from specs to deployment.
- Recognized for outstanding performance with the **"Growth Driver – Best Performer"** award for Q2 2021.
